Dear Honorable Williams:

The Woburn Business Association is greatly concerned and opposed to the Transrail issue on the Woburn/Wilmington property. The Finance Docket Number FD 34797.

The Woburn Business Association has been active for over 21 years in the Woburn area and speaks on behalf of many businesses that would be effected by this Transrail facility.

We have made it known in the past, and now again, that this is not a good and proper location for this type of facility.

On behalf of the Board of Directors and our membership of 280 companies in Woburn, we thank you for your attention to our request. If we can provide any further information, please let us know.

Sincerely,

Paul J. Meaney
